

Referee Form (Northern Ireland)

If you have lived in Northern Ireland less than 5 years then we will require the details of two people who know you well (and live in Northern Ireland) to act as your Referees. If this is the case, please fill in this form, otherwise you do not need to fill it in.

These Referees will be asked about your suitability in working with children & young people. They will be asked if they know of any criminal convictions from your past or any reason why you should not be allowed to work with children & young people.

Before putting their names & contact details down please check with them that they are happy to act as your Referees if we need to contact them.

These referees should preferably have known you for at least 2 years, not be related to you, and know you sufficiently to be able to provide us accurate information about you.
